2010 AIA TENNESSEE CONVENTION & EXPO AIA Architect: **The Complete Package.**

Change. Courage. Adaptability. Toolkits. Design Excellence.

These are the topics that will sustain us in these uneven days. Our convention will salute your indomitable spirit and shine a light on some of the stars in our profession—those like Lake/Flato partner Matthew Morris; UT's Tricia Stuth + Ted Shelton; Danny Wicke from Auburn's Rural Studio; Merrill Elam; Todd Walker and Barry Yoakum, from archimania. Meet Tennessee's Hot Young Designers, tour the Tennessee Residence and Conservatory, Middle Tennessee Medical Center and MTSU campus. Visit our exhibitor showcase, connect with old and new friends, and send Mike and Polly Fitts out with a bang as they embark on the rest of their lives. Simply put—three days you cannot miss, regardless of where you are. Our program schedule will be posted within 10 days. Meanwhile, you can reserve your hotel room by contacting Embassy Suites and requesting a room in the AIA block. 615-890-4464.

Share it. Show it. Sell it.

You know what I'm talking about—your other side job: painting, photography, harmonica playing, jewelry, furniture, old fashioned clogging, sculpture, ceramics, turkey calling. Show us what you're making on the side, then share it with everyone at the state convention and sell it for the benefit of TAPAC. Open to all AIA members and their friends, family or band. Email submissions to cmathias-fisher@sdrarch.com by July 1.

IMPORTANT.

This is the only mailed information about our convention you will receive. Please be sure we have your current email address for future communications about our convention.
