

## AIA Tennessee Vice President Nominee – Scott Busby, AIA

Scott Busby is a principal with Smee + Busby Architects, an eight person firm located on Market Square, Knoxville, TN. Scott has over 20 years of experience on a variety of project types, including collegiate, health care, religious, educational and commercial buildings. Scott is the recipient of numerous local and state awards and received the 2000 AIA Young Architects Award, given to only five recipients nationwide. Scott received his Bachelors of Architecture with Honors from the University of Tennessee in 1987. Scott started participating with AIAS while in school and has been an active with the AIA since 1988. When not at the office, he and his wife Amanda spend their time wrangling four children and embracing the chaos.
